

~~Did P.O.~~

Were P.O. Writer and
J-Con patented? If so
when?

Didn't Dr. Staats say
that within a year of
starting his company,
Cooperative Computing Inc.,
the company decided to
stick to their area of
expertise which was
the ~~at~~ automotive industry?
So ~~the~~ was ~~the~~ the J-Con
system only used
for automotive purposes
and couldn't be used
for say medical company
purposes?
